

REQUEST FOR BIDS

The City of Cleveland will receive sealed bids until Tuesday, March 2, 2010 at 2:30 p.m. for construction of Raider Drive, NW from Keith Street to Peerless Road in the Conference Room at the Municipal Building Annex, 160 Second Street, N.E., at which time they will be opened and read aloud.

A MANDATORY pre-bid conference will be held at 2:30 p.m. on Wednesday, February 17, 2010 at the Cleveland Municipal Building Annex, 160 Second Street, N.E., Cleveland, Tennessee. The purpose of this meeting is to explain limits of contract, and to provide an opportunity for bidders to ask questions about the project.

The project entails the construction for cold planing and asphalt resurfacing of Raider Drive, NW from Peerless Road to Keith Street (US Highway 11). Raider Drive is 4 lanes in width and it is classified as an Urban Major Collector Street. The surface has signs of excessive wear that include pavement surface spalling, alligator cracking, and pavement rutting. Heavy traffic has contributed greatly to the road surface deterioration and the street is on schedule for asphalt cold planing and resurfacing.

TDOT pre-qualified contractors may request bid specifications by contacting Mrs. Melinda Carroll, Assistant City Manager, 160 Second Street, NE, Cleveland, TN 37311. For more details about the scope of work, please contact Brian Beck, City Engineer, at (423) 559-3330, or bbeck@cityofclevelandtn.com.

All bids must be sealed and plainly marked Raider Drive Project. **Bids must be submitted on the BID FORM supplied for that purpose.** Bids that are mailed should be mailed to the City of Cleveland, P.O. Box 1519, Cleveland, Tennessee 37364-1519, Attention Mrs. Melinda B. Carroll, Assistant City Manager.
