

## **CITY OF CLEVELAND POLICE OFFICER**

The City of Cleveland is accepting applications from qualified individuals interested in a career in law enforcement to compete for the position of Police Officer. Qualified applicants will progress through pre-employment testing procedures and successful candidates will be selected as positions become available. Pre-employment procedures consist of: written exam measuring basic skills in math, reading comprehension, grammar, punctuation, spelling, report writing, and reasoning and word association; physical readiness exam consisting of a 1½ mile run, 300 yard run, one rep free weight bench press, pushups, agility course, and vertical jump; ride-along with certified officer and written assessment of events observed during ride-along; panel interview; background investigation.

Qualified applicants will have a high school education or state recognized equivalent, will be at least 21 years of age, will have a valid Tennessee driver's license, will be required to undergo post-offer medical and psychological examinations including drug screen, and will conform to other standards as set forth in T.C.A. 38-8-106.

Applications may be obtained by contacting the City of Cleveland Human Resources Office at 160 2<sup>nd</sup> Street NE or by phone at 423-559-3313. Applications are also available at the City's website [www.cityofclevelandtn.com](http://www.cityofclevelandtn.com). Applications should be submitted to the City Human Resources Office at the above address or by mail to City of Cleveland, P.O. Box 1519, Cleveland, TN 37364-1519, ATTN: Human Resources Department. The City of Cleveland is an Equal Opportunity Employer.

The next test date for entry level Police Officer unless otherwise notified is scheduled for June 10, 2009. You must have an application on file with the City Human Resources Office to be scheduled for the written exam. Details of the testing process will be provided after submission of the employment application to the Human Resources Office. Please contact the Human Resources Office at 423-559-3313 if you have questions or would like additional information.
