

PUBLIC NOTICE

The Cleveland Police Department has respectfully applied for a federally funded JAG grant once again. We have been approved to receive \$166,788.00 in federal funds. We would like to utilize those funds to purchase more Taser Cams for the Patrol Teams. We currently have several Cams on those teams, and this will allow us to complete this venture, thus enhancing safety and important court documentation. We are also proposing the upgrades to the departmental firing range, by purchasing state of the art backstops to enhance safety at the range. This will also allow for a multitude of invaluable training scenarios to take place. This grant is fully funded by the federal government and requires no matching funds from the City of Cleveland. If you have any questions, please contact Lt. John Dailey at 423-559-3389 or by e-mail at jdailey@cityofclevelandtn.com
